

SYMPOSIUM OURANOS 2025

Logistics sheet #1 - Come prepared!

Scientific Posters

We thank you for your participation and look forward to welcoming you at the event!

Your Symposium registration

Please register for the event via [this link](#) before **November 9, 2024**.

You are responsible for your own registration.

The scientific poster presenters have each received a personalized promo code. **This code is only applicable to the 2-day rate and can be used only once.**

Your poster

Please ensure that your poster conforms to the following dimensions: 48 in. height x 36 in. width.

The complete Symposium program will be available shortly at [this link](#). Please note that this schedule is subject to change. **Please notify us promptly of any logistical issues.**

Posters will be presented during the lunch break:

- January 28, from 12 noon to 2 p.m.
- January 29, from 11:30 a.m. to 1 p.m.

Your poster should be displayed for the entire duration of the event. When you arrive at the Symposium on the morning of January 28, please go to the scientific poster room. There, you will find a plan showing you where you can set up your poster.

Accommodation information

For your convenience, we have reserved several rooms at the Hotel Bonaventure, located at 900 rue de la Gauchetière O, Montreal, QC H5A 1E4. [You can reserve your room](#) at the reduced price of \$239 per night, before taxes, for a double room.

This rate is valid three days before and three days after the event.

Please note that rooms are available on a limited basis. A \$20 surcharge will apply for each additional adult.

The deadline for reservations is **January 8, 2025**.

You are responsible for your own registration.

General information

The 10th edition of the Symposium will take place on Tuesday, January 28 and Wednesday, January 29, 2025, at the Bonaventure Hotel in Montreal.

The two-day event will feature a rich program of conferences, panels and collaborative sessions. Together, we will work towards our common goals: to mobilize stakeholders, and effectively support decision-making and the implementation of climate change adaptation solutions.

On Tuesday evening, you are invited to join us for a major networking cocktail. There, you will have the chance to mingle and exchange with all Symposium participants, some 500 decision-makers, practitioners and researchers, representing a diversity of sectors such as agriculture and food, health and social services, environment, infrastructure and construction, land and resource management, technology and innovation, as well as insurance and finance.

Contact and support

The Ouranos team is at your disposal for any questions or assistance you may require during the Symposium.

If you have any questions, please contact the committee at symposium@ouranos.ca.

More information on the [event website](#) and on the [Ouranos LinkedIn page](#).

Thank you again for your valuable contribution to our Symposium, and we look forward to your participation!
